

THE TATTERSALLS HOTEL FUNCTION PACK

FUNCTION SPACE

The Tatts has a brand new function space, The Tango Room. The Tango Room adjoins both our beer garden & new TuTu Wrap shop, making it the perfect space to cater food & drinks for your next event.

We can also more than look after any function you need in our beer garden, sports bar, lounge bistro or café areas. Our beer garden hosts Goulburn's first pop up kitchen! All spaces offer great areas for your party or celebration, and can be tailored to suit your specific needs & requirements.

At The Tatts we're focused on catering fun, fresh, casual dining.

We hope you enjoy!
